

HARISH PERIASAMY

Aspiring Software Engineer | Computer Science & Engineering Graduate

harishcse2024@gmail.com | +91 96291 22588 | [LinkedIn](#) | [GitHub](#)

CAREER OBJECTIVE

Final-year Computer Science and Engineering student with a strong foundation in Java, Python, and web technologies, and hands-on experience building AI and full-stack projects. Seeking a Software Engineer / Developer role to apply strong problem-solving skills, deliver clean and efficient code, and contribute to impactful, high-growth engineering teams.

EDUCATION

Bachelor of Engineering (B.E.) — Computer Science and Engineering

Expected 2026

V.S.B. Engineering College, Karur

- CGPA: 8.18 / 10

TECHNICAL SKILLS

- Programming Languages: Java, Python
- Web Technologies: HTML, CSS
- Domains: Full Stack Development (Foundational), Artificial Intelligence / Computer Vision
- Core Strengths: Data Structures & Algorithms, Object-Oriented Programming, Problem Solving

ACADEMIC PROJECTS

AI-Powered Crowd Detection System

- Designed and developed an AI-based crowd detection system to monitor and analyze crowd density from visual inputs in real time.
- Applied computer vision techniques to improve detection accuracy of individuals in dense environments.
- Strengthened practical skills in AI model integration, image processing, and system evaluation.

Calculator Application

- Built a fully functional calculator application to perform core arithmetic operations with a clean user interface.
- Applied strong programming logic and modular design to ensure accuracy and reliability.

INTERNSHIP EXPERIENCE

Full Stack Development Intern

Infosys

- Completed a hands-on internship focused on full stack development fundamentals, gaining exposure to end-to-end web application workflows.
- Collaborated in a professional environment to build foundational industry-ready development skills.

CERTIFICATIONS

- Cyber Security Certification
- Java Foundation Certification

KEY STRENGTHS

- Quick Learner — adapts rapidly to new tools, frameworks, and technologies
- Strong Problem-Solver — analytical thinker with a logical approach to challenges
- Effective Team Collaborator — communicates well and contributes positively in team settings
- Growth-Oriented — proactive about continuously upgrading technical skills

LANGUAGES

English, Tamil

EXTRACURRICULAR ACHIEVEMENTS

- Athletics: Shot Put, Javelin Throw, Discus Throw — demonstrating discipline, focus, and competitive drive
